

**EASING TRADE WAR**

# Benchmark indices rally in line with global equities

**PRESS TRUST OF INDIA**  
Mumbai, July 1

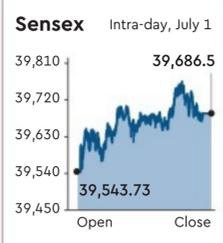

**INDIAN STOCK MARKET** on Monday rallied in line with global equities as investors globally heaved a sigh of relief after the US and China called a truce in their long-drawn trade truce. Besides, hopes of reform measures in the Budget to be unveiled on Friday also fuelled the rally in domestic equities.

Starting the Budget week on a positive note, the BSE benchmark Sensex opened significantly higher at 39,543.73 and swung between a high of 39,741.82 and a low of 39,541.09 during the session. The index finally settled the day with gains of 291.86 points, or 0.74%, at 39,686.50.

Likewise, the broader NSE Nifty advanced 76.75 points, or 0.65%, to end at 11,865.60. The index touched a high of 11,884.65 and a low of 11,830.80 during the day.

On the Sensex, Tata Motors, Bajaj Auto, HDFC Bank, IndusInd Bank and RIL emerged as top gainers, rallying as much as 3.23%.

On the other hand, ONGC, HCL Tech, Maruti Suzuki, HUL,

Asian Paints and Vedanta fell up to 3.99%.

Of the 30 Sensex constituents, 22 closed in the green and 8 in the red.

Sectorally, BSE equity, auto, power, healthcare and finance were among the top gainers,

rising up to 2.59%.

Bucking the overall trend, oil and gas index slipped 1.69%. Other sectoral losers were consumer durables, telecom and metal.

Broader BSE midcap and smallcap indices underperformed the benchmark Sensex. "Global market rallied on account of trade truce between US-China and scope to maintain required oil supply from OPEC. While sequential pick up in monthly auto sales and a likely proposal to simplify GST rate due to rise in revenue collection boosted the market sentiment," Vinod Nair, head of research, Geojit Financial Services, said.

Investors are watchful ahead of the Union Budget and hopes that fiscal deficit is maintained in the long-term while short-term support is provided with minor dilution in FY20 with non-budgetary resources like RBI reserves, divestment and public sector units, he added.

In Asia, shares in China and Japan rose, while Hong Kong and South Korea traded lower.

Indices in Europe were also trading significantly higher in their respective early sessions.

# Care downgrades 11 Essel Infra toll projects

**FE BUREAU**  
Mumbai, July 1

**CARE RATINGS HAS** downgraded bank facilities of 11 toll projects where Essel Infra projects is a guarantor to the tune of over ₹4,500 crore. The ratings for most of the companies stand revised from Care BB (SO) to Care C (CE) negative as the issuers are not cooperating. The rating agency said that in line with the extant Sebi guidelines, it has reviewed the rating on the basis of the best available information, which however, was not sufficient to arrive at a fair rating.

Some of the toll road projects include Essel Gwalior Shivpuri Toll Roads and Essel Ahmedabad Godhra Tollroads (EAGTL) amounting to ₹1,090 crore and ₹772.64 crore, respectively. Care has been downgraded from EAGTL to monitor the rating(s) vide e-mail communications/letters dated June 12, 2019, June 14, 2019, June 7, 2019, May 15, 2019, May 7, 2019, and phone calls. "However, despite our repeated requests, EAGTL and the corporate guarantor, Essel Infra projects (EIL, rated CARE A4, issuer not cooperating) have not provided the requisite information for monitoring the ratings, including monthly 'no default statement' (NDS)." The rating on EAGTL's bank

facilities will now be denoted as CARE C (CE); negative; issuer not cooperating. "Subsequently, the rating has also been removed from credit watch," Care said in a press release on June 28.

Negative outlook by the rating agency has been assigned to EAGTL as the SPV has sizeable dependency on its sponsor. Further absence of any liquidity cushion and weakening of the credit profile of sponsor limits financial flexibility to meet the impending debt repayments. The outlook will be revised to

stable in case the SPV generates sufficient cash flow to support its operations (including the debt obligations) and/or EIL provides requisite support in a timely manner.

Other toll projects include Mhow Ghatatillod Toll Roads, Mukarba Chowk-Panipat Toll Roads and Damoh Jabalpur Toll Roads, among others. In January of this year, the share price of Zee Entertainment Enterprises and Dish TV fell sharply in the range of 26-33%, primarily on reports of pledged shares of promoters being invoked and sold. Mutual funds had invested in the debt instruments of Essel's infrastructure projects and are holding shares of Zee and its subsidiaries as collateral. This resulted in security cover against our exposures falling below the prescribed threshold as per the NCD documents. For several infra projects, the promoter has stood as a guarantor

and provided collateral in the form of shares. However, the promoters conveyed their inability to provide additional equity shares as most of their domestic shareholding was already pledged. Consequently, a meeting was held between the promoters and group of lenders and it was agreed to provide additional time to promoters to complete their ongoing strategic sale plan of Zee Entertainment Enterprises shares. Lenders are understood to have granted the Essel Group companies a moratorium till around September 2019 by which time the fund houses expect the repayments.

HDFC Mutual Fund had rolled over one of its fixed maturity plans (FMPs), which have investments in two Essel group companies. According to the portfolio disclosure as on March 2019, HDFC Fixed

# Mudra loan scheme: Over 2,000 fraud accounts reported

**PRESS TRUST OF INDIA**  
New Delhi, July 1

**AS MANY AS 2,313** Pradhan Mantri Mudra Yojana (PMMY) accounts with the public sector banks reported instances of fraud since the financial year 2016-17, Parliament was informed Monday. Since the beginning of the scheme, over 19 crore loans have been extended under PMMY as on June 21, 2019.

"As per information compiled from public sector banks (PSBs), instances of alleged frauds reported during the last three years and the current year so far is in 2,313 accounts," finance minister Nirmala Sitharaman said in a written reply to the Lok Sabha. She also said "examination/investigation" has been initiated in all cases to ascertain lapses and fixing of accountability.

Out of 103 delinquent employees identified, action has been taken on 68 as per extant guidelines. The highest number of frauds were reported from Tamil Nadu (344), followed by Chandigarh (275) and Andhra Pradesh (241). The minister further said as reported by member lending institutions, the total NPAs as a percentage of credit disbursed has shown a nominal increase from 2.52% (2017-18) to 2.68% in 2018-19 (provisional).

The Lok Sabha was also informed that NPAs under the Shishu category has shown a steady decline from 4.14% in 2016-17 to 1.93% in 2017-18 and 1.29% (provisional) in 2018-19 against the total credit disbursed under the scheme.

Furthermore, PSBs periodically monitor NPAs for recovery of overdue amounts and follow recovery procedures as per policies approved by their boards and in compliance of the RBI's extant guidelines.

Under PMMY, Mudra has created three products — 'Shishu', 'Kishore' and 'Tarun' — to signify the stage of growth and funding needs of the beneficiary.

# Satin Creditcare seeks to raise ₹6k cr to finance loan growth

**NUPUR ACHARYA**  
Mumbai, July 1

**ONE OF THE** country's top micro lenders is seeking about ₹6,000 crore (\$900 million) from banks and non-bank lenders to fund loan growth as demand from borrowers living in small towns and rural areas bucks the slump in the nation's overall credit offtake.

Satin Creditcare Network, whose assets exceed ₹7,000 crore, needs the cash to meet its credit-growth target of about 40% for the year ending March, chairman HP Singh said by phone.

Satin Creditcare Network's shares have handily beaten an index of small-cap stocks this year as the lender's credit profile has remained largely unscathed amid the lingering shadow-banking crisis.

ASIAN PAINTS AND VEDANTA fell up to 3.99%. Of the 30 Sensex constituents, 22 closed in the green and 8 in the red. Sectorally, BSE equity, auto, power, healthcare and finance were among the top gainers,
